

July 2010 California Gift Show Features Custom Bag Manufacturer For Eco Friendly Plastic Bags

Aplasticbag.com appears at July 2010 California Gift Show in Los Angeles CA promoting press kits, releases, and company portfolio, as well as highlighting green technology in plastic manufacturing

Los Angeles, CA ([PRWEB](#)) June 30, 2010 -- Meet Aplasticbag.com this summer at the California Gift Show,® July 16 – July 19, as well as key editors and writers from the Gift and Home industry, and consumer and feature writers from major newspapers and magazines. As an exhibitor at the Merchandise Market and leader in the industry producing premium [trade show bags](#) as well as [recyclable plastic bags](#) for Pepsi, McDonalds, and the LA Times to name a few, Aplasticbag.com gives consumers and publicists an opportunity to meet.

Aplasticbag.com invites you to see their press kits, brochures on their environmentally-friendly [green plastic bags](#) product line, and media releases in the California Gift Show Press Rooms, Los Angeles Convention Center, South Hall and the L.A. Mart, Ste 553 throughout the course of the show, July 16 – July 19, 2010. Continuing the tradition of environmentally-conscious manufacturing, Aplasticbag.com uses recyclable materials to produce their products and packaging.

Consumers and the media are invited to attend the Market, including all special events, and to tour the various show floors to review the hundreds of Aplasticbag.com's [custom printed plastic bags](#) and complete product line displayed during Market. Aplasticbag.com specializes in custom packaging. Need something in a unique style or size? Do you have large volume requirement for an important order? "We have an entire department dedicated to locating and developing unique products that exactly meet customers' most demanding packaging requirements – we're in the business of finding solutions to your most difficult packaging problems," Mash Babaria of Aplasticbag.com tells Merchandise Mart. What's more, Aplasticbag.com offers minimums as low as 250 for custom printed shopping bags and no minimums on stock items.

With the highest quality, best prices, 100% customer satisfaction guarantee, and the fastest turnaround time which can have your customized bags to your location as early as the next day, [plastic bags](#) manufacturer Aplasticbag.com stands out head and shoulders above the competition. Come visit Aplasticbag.com's booth at the upcoming July 2010 California Gift Show in Los Angeles CA to learn more about [custom printed poly bags](#) manufactured to customer specifications with minimums as low as 250 as well as a complete display of Aplasticbag.com's entire line of fine plastic and paper bag products as a leader in the industry for many years. For more information on custom manufactured products and large volume orders, contact AplasticBag.com at [aplasticbag.com](#). Their friendly, knowledgeable staff members are ready to help you with all your plastic and paper bag solutions.
